

COMMUNICATE FACE TO FACE

The closest you can be to family, friends, and colleagues without actually being there.

We want to introduce you to the future of communications. With the VideoPhone from VoiceConnect, you can speak to all of the important people in your life, face to face, regardless of where they live.

VoiceConnect provides a reliable, economical service that allows you to make unlimited calls anywhere in the United States and Canada from \$29.99 - \$39.99 per month.

We do not lock you into a contract, and for a limited time, you can purchase our VideoPhone for the low introductory, one-time, fee of \$199.99.
